

Dea Million

Alto, NM 88312 | DeaMillion@me.com | +1 612 644 1162

Professional Graphic Designer and Wix Website Designer

My primary goal is to make the process of branding and the creation of websites a gratifying and enjoyable experience. I'm a professional graphic designer and expert Wix web designer who delivers tailored products that are dynamic, eye-catching, and user-friendly. I'm committed to quick responsive communications and delivering products that enhance the client's vision.

WORK EXPERIENCE

Graphic Designer | Web Designer | VR Photographer | Freelancer

Dea Designs - Global Nomad
December 1996 to Present

Successfully operate a graphic design business that creates and develops print & online marketing materials, logos, advertisements, websites, and 360 virtual reality photography. Proficient in Adobe CC Suite, Photoshop, Illustrator, In-Design, Illustrator, Flash & iMovie.

Founder

Hemp Connect Int'l - Paonia, CO
January 2017 to March 2020

Bridging the gap between farmer, processor, and manufacturer by developing enduring relationships that ensure consistency in the supply chain, selling wholesale hemp globally.

Video Journalist

Hemp Reporter - United States
February 2016 to May 2016

In February 2016, I boarded the [Hemp Road Trip](#) for its virgin journey across the United States. I shot, edited, and uploaded 42 videos to the [YouTube Channel](#) during the six-week tour. I also created my own hemp educational website: [HempReporter](#).

Programs Developer & Project Manager

Erika Jones & Associates, Inc - Albuquerque, NM
January 1994 to February 1997

Assisted an entrepreneur in expanding her International Project Management Training company from a small business of two employees, to a corporation of nine employees and twelve independent contractors. Participated in establishing the quality of overall strategic thinking and

design of initiatives. Directed, established, maintained, and planned the overall policies and goals for business development. Created and implemented all operating systems to ensure the efficiency of resources. Created all marketing and training materials including guide books, presentation slides, and other graphics.

Computer Graphics Specialist

McDonnell Douglas Training Systems, Kirtland Air Force Base - Albuquerque, NM
November 1991 to May 1993

Generated State-of-the-Art, Pre-Simulator Computer Based Training (CBT) modules for a U.S. Air Force helicopter pilot training division. UI implementation of design parameters, style guides, visual standards, and navigational architecture. Produced freehand computer graphics and simple animations using *Quest* authoring system (same architecture as Adobe Flash).

Executive Secretary / Conference Planner

Honeywell Computer Sciences Center - Bloomington, MN
January 1990 to November 1991

Planned and managed Honeywell's Annual International Computer Sciences Conference, which hosted 500 scientists and engineers. Researched and acquired conference venue. Planned the project schedule, budgets, and resource requirements. Designed all graphical and written materials, and signage. Performed administrative and all scheduling duties for a Senior Marketing Director.

Junior Interior Designer & Office Manager

Design Images Group - Saint Paul, MN
August 1988 to December 1989

Assistant Interior Design responsibilities included client relations, design concepts, and drawings. Responsible for the overall coordination and management of all office operations. Hired and supervised six employees. Developed and maintained in-house bookkeeping, materials tracking and handling, ordering, and receiving systems.

Education
